A minimum of 3 and a maximum of 4 properties is required in order to schedule an Individual Site Inspection. Please list the properties you would like to inspect and your preferred time below. Please take into account that Individual Site Inspections are available from Monday to Friday and cannot be accommodated on official holidays and/or weekends.

If *Secrets* or *Renaissance Wind Creek* is selected, only one site inspection can be accommodated. These properties require longer logistics (e.g., extended drive or boat ride), making it impossible to include other properties in the same schedule. Individual site inspections can only be scheduled during morning hours and are subject to our department's availability.
